Back to School Safety Tips

**REMEMBER: "Safety is as simple as ABC...
ALWAYS BE CAREFUL"**

Parents and caregivers are the most important role models for road safety behaviour, and children will model your behaviour—good and bad. Show our children how to behave safely and lead by example.

- Please adhere to your school rules and follow any instructions given by the school patrol teams.
- Always set a good example when crossing the road. This shows your child the correct procedure which protects them when you are not there.
- If crossing the road always use the school crossing or designated crossing point.
- Drive slowly in school zones and crossing areas.
- Follow all rules of the road and obey all signs.
- Plan your pick up and drop off times.
- Ensure children get in and out on the sidewalk side of the vehicle
- Park Safely—away from yellow lines, school bus zones, intersections and driveways.
- Be aware of other road users, such as buses, cyclists and pedestrians
- Use a Kiss and Drive/Drop off Zone if available at your school.
