DO YOU HAVE A LIITLE TIME TO GIVE TO YOUR COMMUNITY ?

The Killarney Community board consists of 12 board members . There are some positions that are available as of now , We have many board members that have been in their positions for many years . There are some that will stand for the election again as they have chosen to continue to serve. We have Five open positions for the Board at this point, as some board members completing their term and have chosen to step down.

What we need is new people to step into leadership roles ; we need new board members, committee members and volunteers. Between the community association and the Killarney Community League program we operate with a capital budget, and we need community members on the board to provide oversight and direction for the use of our community assets. We meet monthly as a board; committees meet more often when projects are being developed and our volunteers are always in demand. For your community association to continue to develop and thrive we need you! Please consider supporting the Kilarney Community League by purchasing a membership and helping by volunteering or serving on the board or on one of our committees .

The commitment for a board position is at least one board meeting a month, serving on at least one committee, and participating actively in discussing and decision making on the issues that affect the community association. Time wise, it is a commitment of whatever time you can serve towards our community. The reward is a chance to engage in thoughtful debate, stretch your mind while dealing with issues, and social interaction with a fellowship of community residents. Please we need your help to for fill the needs of our community .
